Congratulations on taking an intentional leap towards becoming a published author. I am elated to have the opportunity to assist you on this journey. As we embark upon this journey of turning your Wounds into Words I truly believe this mandate will result in lives being transformed and enriched for the better. The team here at BRD Publications along with myself are 100% vested and committed to the success of your project. We believe in you and the vision God has given you to Birth your Book.

As we move forward in the manifestation of your book, our commitment to you is to ensure we are here to empower, encourage, and support you through the process from beginning to end and beyond. You are an overcomer and your faith in God has transformed our situation.

Once again, I cannot stress enough how elated and grateful we are to have you work alongside us to birth your book. I have been declaring out of my mouth all of 2021 it is out season to “Live Out Loud!” Woman of God it is time to birth out, walk out, and push out in this season. Welcome to The Birthing Room!
